

CHATSWORTH GATHERING 2009 DERBYSHIRE RUN

Saturday 25th April 2009

As part of Chatsworth Gathering 2009 the East Midlands Region will be putting on a run for TVRs through the Derbyshire Peak District on Saturday 25th April.

The run will take you on a drive through the beautiful Derbyshire countryside on some of the region's best roads. There will be a stop for lunch at the excellent Bear Inn at Alderwasley.

This will be an informal run and TVR owners should feel free to join or leave the run at the lunchtime stop if they wish. The morning drive will last just over an hour and the afternoon drive back to Chatsworth will be around 45 minutes. We should arrive back at the Calton Lees car park at Chatsworth by 3pm.

Anyone who is unable to make the run but wishes to meet up for a Mini-meet before Sunday's main event would be most welcome to join the returning cars at Chatsworth in the afternoon.

The total distance of the run is around 65 miles. Please ensure your car has enough fuel before we set off.

Although we aim to have a limited number of copies of these details available on the day it would be helpful if you could print this document and bring it with you.

The Bear Inn Alderwasley

We will stop at lunchtime at The Bear Inn at Alderwasley. This pub is winner of 'The Good Pub Guide' Best Dining Pub in Derbyshire award for 2006 and 2007. It has a large car park, a good range of food and drinks and some great views. Those wishing to eat there should book a table by telephone before the run (Tel: 01629 822585).
